A city skyline at dusk, featuring several tall buildings with lit windows. A large red diagonal shape overlays the lower half of the image, creating a modern, graphic look.

PRODUCT SELECTION GUIDE

 AimLite

YOUR TRUSTED PARTNER

ABOUT US

We are committed to always offer products that meet our customers' requirements and expectations. Thanks to this commitment we have developed a successful business over the years.

Our ISO/IEC 17025 certified laboratory is qualified by CSA International under the CPC (Certification by Category) program which allows us to conduct safety and performance evaluations and to perform over 100 different tests on our products. This allows AimLite to certify new custom products quickly and launch to the market.

AimLite's target is to maintain and improve its quality through programs that enable employees to do their job right the first time and use the best suppliers that share these same values.

Our team consists of some of the most knowledgeable and recognizable people in the Canadian emergency and lighting industry.

NEW PRODUCT DEVELOPMENT

Our engineering and marketing team is composed of specialists ranging from a variety of technical backgrounds which allows us to develop a multitude of new products to meet today's market needs and requirements. Our focus is to design innovative products at a competitive price to set ourselves ahead of our competition while maintaining industry standards such as long life and energy efficiency.

CUSTOMER SATISFACTION

Customer satisfaction is the company's main priority: we want to be our customers' preferred supplier.

Our customer service department is comprised of highly trained, knowledgeable and bilingual sales representatives whose only goal is to meet the needs of the customers. Sales staffs are continuously trained to keep them abreast of the latest lighting trends, technologies and developments so they may actively serve customers, resolve issues, initiate changes, and teach co-workers.

Our technicians have extensive academic and practical experience with degrees in engineering and administration, allowing us to offer technical support in the retail, distribution and manufacturing sectors.

AimLite's management is dedicated to its customers, employees and safety.

QUICK SHIP PRODUCTS

**AVAILABLE & READY TO GO
FOR ALL YOUR RUSH PROJECTS**

AimLite offers a wide range of products ready to go for all your projects needs.
Ordering AimLite's Quick Ship items has never been easier. Just place your order and
receive your items in a matter of days.
Product availability is subject to change without notice. Please contact your AimLite cus-
tomer service representative to confirm lead time at time of order.

TERMS & CONDITIONS OF SALES

1. PRICING

Prices are subject to change without notice. In the event of a price increase all orders on hand will be filled at lower prices provided such orders are released from shipping prior to the price increase. If the orders are not released for shipment prior to the price increase, the orders will be billed at prices in effect at the time of the shipment. Minimum billing is 100\$ net.

2. MINIMUM ORDER

Minimum order is 100\$ net.

3. TAXES

Prices exclude taxes. GST & PST (where applicable) are not included in prices.

4. BACK ORDERS

All backorders will be cancelled after 3 months.

5. PAYMENT TERMS

All Aimlite payment terms are Net 30 days.

6. FREIGHT ALLOWANCE CANADA

Shipments are F.O.B our plant minimum prepaid \$1,250.00 for all major points within Canada except for poles and inverters over 1400 watts are prepaid and charged. All orders having a distributor price less than the minimum mentioned above will be assessed freight and handling charges. Special customer shipping requirements that cause additional shipping expenses above normal may be charged for the additional cost.

Special customer shipping requirements that cause additional shipping expenses above normal may be charged for the additional cost. Shipments to the USA for Canadian customers will be subject to duty and brokerage fees at the customer's expense.

7. TRANSPORTATION CLAIMS

All our products are factory tested to be free from defects prior to shipping. Title passes to purchaser upon delivery by us to transporter, and all claims for damages or shortages in transit shall be made by the purchaser with delivering transport company. Our customer service personnel will be glad to assist in any way in the advent that purchaser requires assistance.

8. RETURN OF MERCHANDISE

Merchandise may not be returned without prior written notice. Requests to return merchandise must be made within 60 days of receipt of goods. All returns must be shipped prepaid to Aimlite. Credit will be issued based on the original invoice price, or price in effect at time of return, whichever is lower, less minimum restocking charge of 35%. All non-stocking, special, custom made or modified versions of normal stocking items are not returnable.

9. CANCELLATION CHARGES

Orders for stocking items may be cancelled prior to shipping without charge. All other orders may not be cancelled unless Aimlite is reimbursed for work already performed and for special material purchased by our company. If an order is cancelled after shipment or if delivery is refused at destination, all warehouse, delivery, and return costs will be charged to the customer.

10. POLES

Shipment and Storage: Shipment of goods must be made within thirty (30) days of completion, or be subject to a stocking charge. Poles not erected immediately must be unwrapped by purchaser and stored above ground. AimLite is not responsible for erosion to finish caused by improper storage.
